NEW ACQUISITIONS IN 2014

Siebe Wiemer Glastra, Bertus Jonkers, Jan Kervezee, Johnson Weree, a.o.

From time to time we present our new acquisitions. Like the two wonderful pieces of Bertus Jonkers: *Piramid I* and a large photo collage *Vierkante Cirkels (Square Circles)*. Furthermore a hitherto unknown drawing of Glastra, fantastic drawings of the 1970's of Jan Kervezee, and Johnson Weree's new drawings of ships.
